Notes

- The Documentary Transfer Tax (“DTT”) is set by statute at \$1.10 per \$1,000 of the real property interest transferred. The County receives the full amount of the DTT in the unincorporated areas and where charter cities have adopted their own DTT. The County splits the DTT 50/50 with cities that have adopted a DTT in compliance with the statute. The DTT is a general tax.
- Measure B (Trauma Tax) funds are restricted to specific uses related to trauma centers and emergency rooms and could only be used to also fund homelessness programs by a ballot measure with majority approval of the BOS and 2/3 voter approval.
